

## Why join SPT?

"Many of our students have been referred to us or join our Holiday Programme and then bug Mum and Dad for days to join our Term Programme. What a fantastic endorsement!" says Warwick Jones, Director. "And kids have to start somewhere!", he says. "The focus of our unique 'play and learn' programme is for the kids to have fun. Learning then comes naturally and easily."

## What other SPT Students say.....

"The coaches at SPT make the lessons fun but still challenging. (they are also very tolerant)." Pam

"My 5 year old daughter attended a couple of days at the 'Holiday Programme' and thoroughly enjoyed it. They made it so easy for her to learn." Arlette

"I started private lessons with SPT after being given a Gift Voucher—I now have a lesson once a week!" Murray

"Conor's coach is fantastic with the kids. It is a fun, happy and encouraging environment." Carol
